

Class Rules and Syllabus

Conduct Requirement

1. Cell phones, hats, radios, and MP3 players are not permitted in the classroom. This is a school policy.
2. Anyone caught cheating through the use of the cell phone, another student or notes not permitted during an exam will receive an F3F and face being expelled from Scholar's Academy. The parents and counselor will be notified as well.
3. Students are to bring a scientific calculator to class and any other supplies necessary to take notes; such as a pencil and preferably a spiral notebook containing graph paper. Tests must be taken in pencil.

Class Absences

1. School policy will followed with attendance. That is, in a yearly class only ten unexcused hours are permissible to be eligible for a passing grade.
2. If your absence is unexcused you will not be permitted to make up the work and receive an F on the test or assignment.
3. The accumulation of unsatisfactory tardies will be treated as an unexcused absence, at the teacher's discretion.

Grading Criteria

1. Full period tests will be announced and given throughout the grading period and graded numerically, since math teachers have agreed to use numbers rather than letter grades in their gradebook. If you miss a test or quiz due to an excused absence, you must make it up within three days after your return to school. Excessive makeup tests will not be permitted except with a doctor's note. The tests' average will weigh **50%** of your quarter grade.
2. Quizzes be scored numerically and be equivalent to **30%** of your quarter grade.
3. A variety of homework assignments will be kept in a graph-notebook and titled with the specific module and section number. Those assignments will be checked during the following class. Other homework assignments will be online. Rarely will there be a "NO Homework" day, except on a test day or following a

major test. Make-ups are only acceptable on the following class date and will be given only with an excused absence. Homework grade will be **20%** of the quarter grade.
